

## Chef Commitment Form for Fork It Over 2017 on Aug 3, 2017

This culinary competition and fundraiser invites chefs from all over Southern California to create appetizers and desserts - all inspired by Girl Scout Cookies! All proceeds benefit Camp Arnaz. From our newest flavor, Girl Scouts S'mores™, to Caramel Delites Coconut Shrimp to Thin Mint Mud Bars and Lemonades for a lite lemon cheesecake there is no shortage of creativity at FORK IT OVER!

Chefs create an appetizer and a dessert (appetizers and desserts will be judged separately). Recipes can be created just for this event or can be adaptations of existing recipes. The only requirement is that you use at least one variety of Girl Scout Cookie (the cookie need not be the main ingredient, but should be the inspiration).

Chefs will need to prepare a "display" appetizer/dessert for each recipe (finished as it would be served in their restaurant or business) and enough sample portions to serve 250-300 attendees (sample size - approx. 1-2 bites). We will supply all the Girl Scout Cookies needed to create the recipes. Other costs or ingredients associated with the recipe creation will be the responsibility of the chef/business.

**JUDGING** -Appetizers and desserts will be judged separately - chefs are encouraged to enter a recipe into both categories. We have invited food editors and other local icons to be "official" judges. Recipes will be judged based on taste, presentation and creative use of the Girl Scout Cookies.

**PUBLICITY** - Chefs/restaurants will be included in as many publicity outlets as possible leading up to, during and following the event. Business contact information will be included on the FORK IT OVER website and social media.
